LEADERSHIP, MUSIC, & SPEECH CAMP

Leadership, Music & Speech Camp is a week where young people invest in and increase the value of their God-given talent for Christian service. Our goal for each camper, whether he is in the leadership, music, or speech track, is that he learns to serve, sharpen his skills toward excellence and put his learning into practice. In addition, campers benefit from traditional camp activities and rub shoulders with many of God's choice servants.

FAMILY CAMP

Family Camp offers a wholesome vacation for the entire family. The atmosphere is Christ-centered, from the program, with scheduled time for Bible reading and two services each day, to a staff that serves to meet every camper's need. One cannot over-estimate the value a week like this can bring. The schedule is packed with creative activities for every age group, but campers can choose what they want to do, allowing the schedule to stay relaxed.

TEEN CAMP

Teen Camp is Christ-centered, camper-oriented fun with a purpose! We offer three dynamic weeks packed with a lot of activities, special attractions, and sports. Most important though, is the time centered around the powerful preaching of God's Word and Christian counselors who are godly examples that care about teens.

JUNIOR & PRIMARY CAMP

Safe, supervised and exciting! Camps are the ideal place for young people to experience God's creation, develop socially and physically, and be impacted by the Word of God.

WILDERNESS CAMP

Wilderness Camp provides young men with the opportunity to experience first-hand the joys of living in the outdoors! Activities are geared to teach not only wilderness survival, but also spiritual truths that will change lives!

“In a word, when I think of Camp Joy, I think of TRUST!”

- Pastor Brad Smith

“The leadership, atmosphere, and spiritual impact present a great package.”

- Pastor Mike Harding

“Camp Joy's focus is to provide preaching of God's truths to challenge the soul.”
