Team Members

Camp Joy's Summer Support Team Program and what it does for you:

Camp Joy offers Summer Ministry Team members a summer sponsorship program which is designed to provide prayer and financial support during their summer ministry. Any funds raised through this program can be directly sent to a college tax-free and donors can receive tax-deductible receipts for their gifts. With prayer and work, a Camp Joy staff member can raise enough money for their upcoming college semester, or they can use it to pay off an outstanding school bill.

How to get started in the program:

Once you have joined our Summer Ministry Team, we will send you *The Saddlebag*, a packet of fundraising information which will include a DVD with promo information and instructions for the program. We will also send you a sample letter which will help you explain your upcoming summer ministry to others who might consider supporting you, prayerfully and/or financially.

Throughout the summer, we will help you correspond with supporters on a bi-weekly basis to express your gratitude for their support and to share with them praises and prayer requests regarding what the Lord is doing through your summer ministry.

Camp Joy's Summer Support Team Program is designed to provide for summer ministry team members' prayer and financial needs for their summer ministry.

Why the Summer Support Team Program?

Camp Joy is a Christ-centered, camper-oriented camping ministry, serving over 1000 individuals every summer. The costs incurred in recruiting and preparing potential summer staff are great. In order to keep camper fees as low as possible, summer staff members are asked to provide their own support.

We understand that when they serve the Lord here they are making some financial sacrifices. The Summer Support Team Program is designed to help provide for the prayer and financial needs of the staff members.

Why go through Camp Joy or local churches?

Any funds that come through non-profit organizations can be directed to a college without taxes being deducted, plus, donors may receive tax-deductible receipts for their gifts. We encourage the funds to be sent through your local church, or arrangements can be made to have them sent to Camp Joy.
