

HELP US KEEP OTHERS SAFE!

While we at Camp Joy believe our youth NEED a summer, we are taking many additional precautions in order to have a safe summer program in 2020.

- 1) We are limiting the number of campers allowed each week.
- 2) We are reviewing each camper registration and applying selection criteria to decide who we can have come to camp this summer. The information you provide on this form helps us in making these selections.
- 3) We desire to maintain the regular weekly schedule of camp, instead of compacting our summer into just one month, so that demand is spread out over several months instead of being concentrated into too short of a period of time.
- 4) In conjunction with our nurse professionals we are implementing additional medical checks for each youth at registration. We are also adding more medical survey efforts during each camp week. We have added more isolation rooms in case we have a camper who needs to return home, but is not picked up immediately.

We at Camp Joy have implemented additional measures, but given that COVID is in our State and Nation in ways no one really knows, we cannot guarantee that campers could not be exposed to COVID while here at Camp Joy.

While Camp Joy takes precautions to ensure the safety of all attendees, it is understood that accidents or risks of bodily injury may occur. I agree that my child may participate in all activities, and I intend by my signature a complete and unconditional release of the camp for all liability to the greatest extent allowed by law.
